Holiday Mail for Heroes

Proudly supported by Pitney Bowes

We invite Members of Congress and Congressional staff to join us in the Rayburn Foyer, Wednesday, November 2, 2011, from 9:00am to 1:00pm to sign holiday cards for service members, veterans, and their families.

During this season of hope and giving, the American Red Cross and Pitney Bowes have once again joined forces to send a "touch of home" to our service members, veterans and their families in the U.S. and abroad.

In December 2007, Walter Reed Army Medical Center in Washington, D.C. approached the Red Cross asking to assist in distributing thousands of holiday cards for wounded service men and women. In response to this request, the Red Cross partnered with Pitney Bowes to turn the project into a larger opportunity that could reach members of the military at other facilities in this country and abroad.

Now in its fifth year, the *Holiday Mail for Heroes* program provides Americans with the opportunity to extend holiday greetings, expressions of gratitude and well wishes to service members, veterans and their families worldwide. Last year the Red Cross distributed more than 1 million cards for service members, veterans, and their families, in communities around the world.
